

WHO IS SUITABLE TO BE A MODEL FOR THE ADVANCED FILLER COURSE & FURTHER INFORMATION

As a course delegate on the advanced filler course, you should bring along your own model to work on.

If you can't find a model let us know asap.

This information sheet will provide you with information regarding who is suitable to be a model, what it entails to be a model on a training course & further information.

Please discuss with your model in advance what is required of them.

This will ensure there are no issues regarding consent on the day of treatment.

TREATMENTS COVERED

On our Advanced Dermal Filler Training Course you will **pick two of the following treatments to work** on during the practical day:

- Chin
- Jawline
- Lips
- Cheeks
- Nasolabial folds
- Marionette lines

If you are unsure of the areas you would like to work on, feel free to give us a call to discuss.

Please find a suitable model who will consent to having both treatments on the day as you can only bring one model.

The tutor will also give a full face demo and lip dissolving demo.

SUITABLE MODELS

What Makes a Model Suitable:

- Over 18
- In good health
- Has suitable treatment areas
- Has had treatment before / Is comfortable with needles

What Makes a Model NOT Suitable:

- Pregnant or breastfeeding
- Has had lip filler in the last 6 months
- Has an active cold sore

MODEL PHOTOS

We require all models to send in photos ahead of time so they can be checked by our training manager. You should get your model to us within 1 week of booking your course.

Please advise your model to send us a picture of their front and side profile.

WHAT YOU NEED TO TELL YOUR MODEL

Time: This is advised on your delegate further information email.

Your model will be needed for 1 hour but there might be more waiting time.

Please ensure they know it could be longer due to being a training course. It is advisable to bring some reading materials/phone etc.

Venue: The Glen Clinic, 1 Spiersbridge Way, Thornliebank, Glasgow, G46 8NG.

Please advise your model:

- They are not able to wear make up on the day
- They will not be able to drink alcohol after treatment
- To complete all 4 model forms ASAP and to read them thoroughly
